Knockout Cup Match Rules

1. Teams are not allowed to play new players (players that did not play for the team during the League season) for the Cup games.
2. **Being Cup-Tied** - If a player has played for more than one team during the season i.e. they played games during the season for a higher age group or division, they must choose which team they play for in the

Knockout Comp. They will only be able to play for one team in the Knockout Comp. They may not play for a second team even if that their first team is eliminated.

3. For the QF's and SF's, the first mentioned team is responsible for setting up of the pitch, referee and match card.
4. The game will be played for the regular duration of a match as has been played throughout the season. If there is a DRAW after the regular playing time, a **penalty shoot-out** will determine the winner of the match.
5. There is no extra time to be played for Quarter and Semi Final matches. CUP FINALS will have extra time (2 x 10 min.)
6. **Penalty shoot-out rules**: Only players that were on the pitch after extra time are eligible to take a penalty (substitute players are not to take part in the penalty shoot-out!). The following rules apply to a penalty shoot-out:
 - (a) The starting team is determined by throwing the coin!
 - (b) Selected five players from each team take ONE shot each, alternating between the teams.
 - (c) If there is still a draw, additional players will take shots, alternating between the team until one player prevails.
 - (d) If there is still a draw after all eleven players have taken a penalty, the first five players will be invited to take a second shot, alternating between the team until one player prevails.
 - (e) Keepers are eligible to take penalties.
 - (f) Only the keeper and the penalty taker are allowed in the penalty area.
7. If there is a penalty shoot-out, the following game(s) may start after a delay. Players and coaches are reminded to be aware of this.
8. Referee F&B votes are not allocated for the Cup games. The match card is required to ascertain the result and that only registered players that played throughout the season participate in the game.
9. A squad is to be limited to 17 players per game (a maximum of SIX substitute players are permitted).
